Wakerley Kitchens

This collection consists of five contemporary Door Styles, designed with versatility and functionality in mind. Characterised by sharp lines, perfect proportions and distinctive edging, they provide flexible design solutions that are both simple and beautiful.

However the more understated the style, the more important becomes the choice of finish. This collection provides an extensive range of Ultra High Gloss, Premium Super Matt, and Authentic Wood Effect Textures, allowing you to push the boundaries of design and create spaces that reflect your individuality.

MATHER
EMBOSSED
GRAIN
SIMPLICITY

Mather combines contemporary design with the subtle aesthetic of real wood. Its embossed wood grain structure provides a delicate blend between natural and constructed forms, making it a truly unique, minimalist style.

Inspired by Scandinavian design influences, Mather stays true to simplicity and functionality. Why not give the heart of your home the Nordic style treatment with subdued colour schemes and clever storage solutions. With Mather, you can create a practical space that suits your needs, without losing out on style and aesthetic.
